Re: Mona Hamza v. Saks Incorporated and Saks Fifth Avenue, Inc.  
07 Civ. 5974

Dear Judge Robinson:

On behalf of counsel for all parties to this action, an extension of time to complete depositions is respectfully requested. The Scheduling Order requires depositions to be completed by February 29, 2008. No prior requests for adjournments have been made.

Following some issues regarding discovery which have been resolved by counsel, depositions have been scheduled for March 3 and 7, 2008. Additional dates for depositions, if needed, will be scheduled. Additionally, plaintiff may require the deposition of Jennifer Cooling, an employee of defendant, who is not due back from maternity leave until April 21, 2008. Accordingly, an extension of time to complete depositions until April 30, 2008 is respectfully requested. The parties are hopeful that this requested extension will not affect the April 30, 2008 discovery cut-off date.

Respectfully submitted,
